Mike's Minute

Here We Grow. We are so excited to tell you that Anna Green was baptized into Christ at Fairfield recently. Anna is the daughter of Jack and Angie Green. She is a wonderful young lady who has been an active part of our youth group for quite some time. She has a quiet, sweet spirit... and is always ready to serve. If you haven't done so already, be sure to congratulate Anna on her decision to follow Christ.

Sensational Sunday. We were honored to have Bill McDonald be with us and serve as our guest speaker this past Sunday. As we expected, he brought two biblical, interesting, relevant, comforting, and challenging messages from God's Word. There's just no one like Bill Mac. His schedule is extremely busy, and we appreciate him clearing out a place for us! We are better for having had him with us.

Future Leaders Graduation. Last Sunday afternoon we recognized and honored 10 graduates of the Future Leaders Class. They received rewards for their attendance and efforts... and recited memory work from the Bible that was extremely impressive! What an honor it was for Amber and me to spend time with them. We learned from them, fed off of their energy and enthusiasm, and absolutely enjoyed every minute of it. We hope to make Future Teachers an annual event... so, we'll see you next year!

Halloweenie Roast. The annual Halloweenie Roast might have been the best ever! One person summed the evening up this way, "I loved everything about it." It was so much fun! I don't know the exact number of visitors we had, but I do know that we cooked well over 150 hotdogs (thank you Marvin Truett and Don Beard!) and gave every one of them away. A special thanks to everyone who helped, attended, and invited others. It was so good, it was scary!

In Christian Love,

Mike

“Halfway Christians”

There are two kinds of people in this world: children of God and children of the devil. There are two kinds of servants---servants of sin and servants of righteousness; and two different kingdoms---the kingdom of this world and the kingdom of Heaven. We can be in only one or the other, and we belong either to the family of Satan or to the family of God. There is no in-between.

Sometimes we may become blind to our own identity. Many people have been led to believe that they are God’s people and are on their way to eternal happiness. Many care little to examine themselves and are much too entangled with this life to be concerned. Others are content to attend worship services regularly like everyone else, and just go along with the flow.

Where do we fit in? Are we trying to live in a gray area between the kingdom of darkness and the kingdom of light? Are we trying to hide in “no-man’s land?” If there is no genuine, personal commitment to follow Christ and obey His Words, then we are not active in the spiritual warfare.

The devil is glad when we live in the gray area, in no-man’s land, because these people belong to him. Our call is to wake up and get up! There is nothing more important than one’s eternal destiny!! Don’t be a half-way Christian and be fooled on judgment day. Be a New Testament Christian and follow Jesus.

Obey God and watch Him work,

Rodney

We were made aware of the following who were baptized October 22, 2022 by Tom Gosser and Daniel Dressler of the Jail Ministry: Billy Pirkle, Peter Bitzer, Sandy Skipper, James Kolek and Amber Warren. All of these are now attending worship services at the jail.
